How to use

1 min
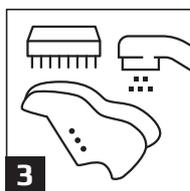

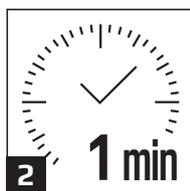

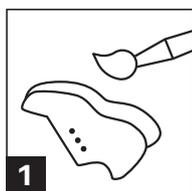

1. Apply the cleaning cream with a paint brush, covering the area to be cleaned completely.
2. Let the formula work for a minute.
3. Brush the surface with TARRAGO SNEAKERS BRUSH, using water to eliminate dirt and paint remains.
4. If necessary, repeat the process.
TIP: Finishes are usually resistant enough and do not need special protection. However, delicate finished can suffer with the application of midsole cleaner. In order to avoid some possible color deterioration, we recommend protecting the most delicate part where you do not want to apply the product before the application of it.
